Bio

Tom Kelly is a Business Coach and the owner of Potential In Motion, Inc., where he coaches salespeople, entrepreneurs, and small business owners.

He is also an Executive Coach for the Ken Blanchard Company, a Sales Coach for Brian Tracy International, and a former Master & Platinum Level Business Coach for Tony Robbins. He has over 16 years of professional coaching experience.

Tom is an energetic and engaging speaker who quickly captured and maintained our group's full attention as he taught us what we wished we had learned many years ago, the art of Masterful Networking.
